

DSG – EIC DIRC Meeting

Date: May 6, 2024

Time: 1:30 PM – 2:00 PM

Attendees: Peter Bonneau, Pablo Campero, Brian Eng, George Jacobs, Greg Kalicy, Tyler Lemon, and Marc McMullen

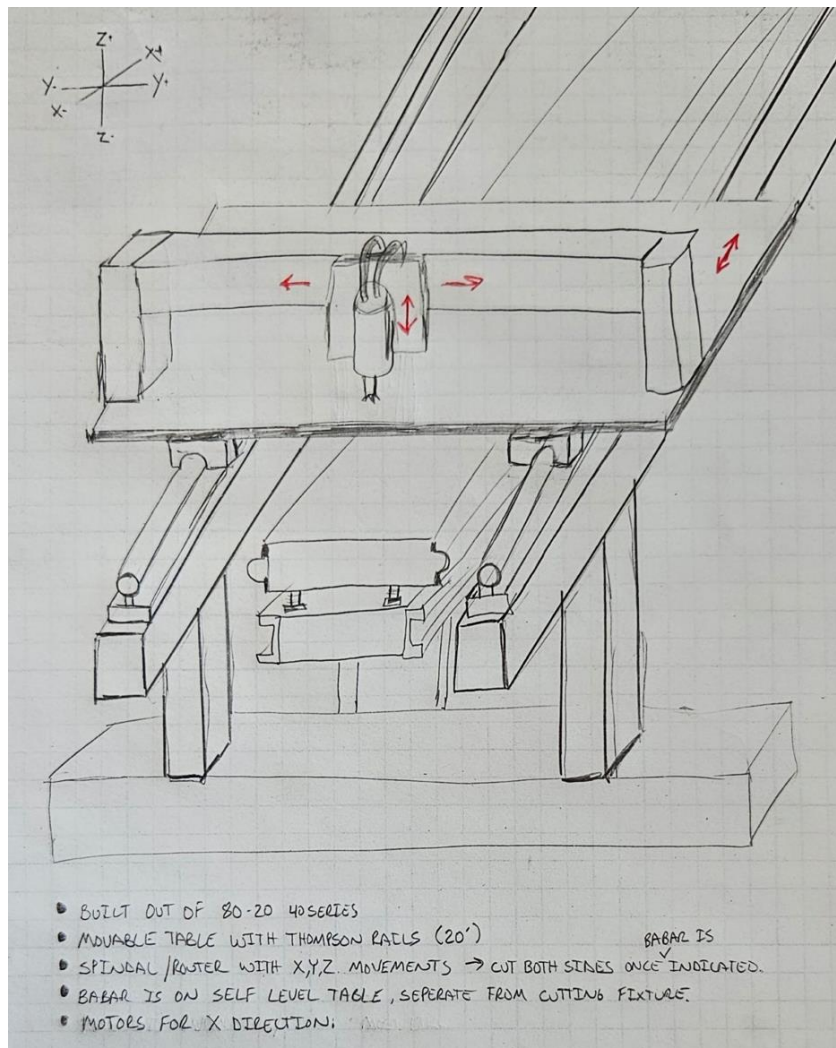

1. EIC DIRC work area set up update

Greg Kalicy, Andrew Lumanog, and Tyler Lemon

1. Storage cabinets received
2. Area set up in progress
 - HEPA filters ordered and will be replaced in clean area's air handler
 - Table assembly underway
3. More cableway ordered, expected Tuesday 5/7

2. Barbox cutting stage

1. Initial design created by Andrew

2. Discussion points:

- Motorized control preferred
 - Avoid relying on human interaction to cut
 - Cutting speed can be programmed to be constant across entire length of barbox
- As a time and cost saving measure, rail system components and extruded aluminum will be borrowed from Hall A
